

M M Arman Hossain

Web & Machine Learning enthusiast | Founder of Pyarena.org

WORKING EXPERIENCE

GProjukti.com Ltd, Dhaka – Python Developer

December 2022 –

Working on :

E-Commerce: Web Application Python django rest framework, PostgreSQL, Docker also Deployed whole project Digitalocean Cloud Server and

Point of Sale: Database Design and Implementation using Django rest framework

BengalDots Inc, Canada — MLOps Engineer

July. 2022 – Nov, 2022

Worked with ML Pipeline, Data Pipeline, Azure and also deployed a python based website with django web framework .

ICE Research Lab, PUST, Pabna — Research Assistant

Dec. 2021 - May 2022

Supervised by
Tarun Debnath
Assistant Professor
Dept of ICE, PUST

Information and Communication Engineering Department Research Lab worked on
AI Based Baby Nursing Robot Project

- Baby Rocking System
- Cry Detection using Artificial Intelligence
- Baby Entertainment using Raspberry pi & TFT Display
- Urine Detection and Automatic Phone Call Generation

EDUCATION

Pabna University of Science and Technology, Pabna — B.Sc in Information and Communication Engineering

March 2017 - Aug, 2022

I have completed my degree with CGPA – 3.04 out of 4.00 and undergraduate research area Artificial Intelligence .

RECOMMENDATIONS

Mushfiqul Islam

Sr. System Administrator, SIL

SKILLS

Programming Language:

Python | C Programming | Java
Cpp | Matlab | JavaScript | SQL
PostgreSQL | MySQL

Data structure and Algorithm

Software Development Area :

Django | Django Rest Framework |
HTML| CSS | NextJS | Material UI |
TKinter | Kivy | pyscript |
Arduino|ESP-32|Raspberry pi

Machine Learning & Deep Learning:

Tensorflow | Keras | SVM | CNN | RCNN
| Regression | Opencv-python |
PyTorch | LSTM

Version Control & Deployment Area:

Github | Docker | Linux | NGINX |
DigitalOcean | c-panel

PROJECTS

GProjukti.com, Ltd —

– Working with python django rest framework, PostgreSQL, Docker

www.fermadobd.com —

– Major Technology used
Tailwind CSS, python, Django, MySQL

Cry Classification using ANN —

– Tensorflow, confusion matrix, tqdm, baby cries dataset

Md Aman Khan
Automation Engineer
Picosun Group, Espoo, Finland
